

The background of the entire page is decorated with festive elements. In the top-left corner, there is a cluster of balloons in red, yellow, and blue, with gold streamers and confetti trailing from them. In the top-right corner, a long, flowing gold streamer extends across the top. The bottom-left corner features a large, stylized gold ribbon bow. In the bottom-right corner, another cluster of red, yellow, and blue balloons is shown with gold streamers. The background itself is a light beige color with soft, wavy, abstract shapes in a slightly darker shade of beige.
